

INSTITUTE OF  
BANKING & FINANCE

I've become an  
Investment Banker.  
When will You Apply?

# Masters Degree in Banking & Finance with integrated CFA

# 2 Year Master Degree in Banking & Finance with integrated CFA Curriculum

## About the Program

A Masters Degree in banking and finance is an MBA qualification which provides a specialization in Banking and Finance. Unlike an ordinary MBA Finance, the student starts learning about advanced topics of finance in the first year itself. This gives him an opportunity to delve into more depths of finance during the second year. With an added specialization in banking the course makes the students highly sought after in the industry. With this degree a student can work in Banks, financial companies or with finance department of any Indian corporate or MNC.

## Benefits of Integrated CS

The career as a CFA is respected globally and is financially rewarding. There are only 90,000 CFAs in 130 countries of the world making them an elite group of highly paid and sought after professionals. With integrated curriculum it becomes easy for the students of this Masters Degree to simultaneously pursue, the 3 level examination conducted by CFA institute to become a Chartered Financial Analyst. With a specialized Masters Degree combined with CFA, a student can seek global jobs in functions such as investment banking, treasury operations, risk management, portfolio analysis, equity research, etc.

## Teaching Methodology

TKWs for all its programs uses ELT™ (Experiential Learning Techniques) which is based on the philosophy of "Involve me and I will never forget". Since its inception TKWs has been renowned for bringing experiential learning into mainstream education. Key features of learning system adopted by TKWs Institute of Banking & Finance include regular corporate interactions, industry ready curriculum, ELT™, practical application of knowledge, Pre Banking exam training, teaching through Economic Times newspaper, portfolio competitions, live stock trading, soft skill development, domestic and international study tours, Booming Freshto and Bankers Meet.
